WITNESS  
CRAFTED  
LUXURY

Pioneers Then, Leaders Now.

COLIVE is India's first future ready fully serviced rental homes, conveniently located in close proximity to IT parks and global business hubs.

These homes are fashionably designed and equipped with modern technology to enable single professionals and young couples who prefer to upgrade by living in a cohesively connected community of like-minded millennials.

With a core belief in social togetherness and the Power of Co, COLIVE brings an enchanting experience that is more than home for its 10,000+ members.

To Co-Live is to aspire towards a higher standard of living with not only just a bed and a room to live in, but experience global living and be a part of a vibrant and growing community of compatible room mates with similar mind sets.

**COLIVE**

POWER OF CO

A decorative tag with a red and pink watercolor background, a wooden stick, and a green leaf branch. The tag is rectangular with rounded corners and a hole on the left side. A wooden stick is inserted through the hole. A green leafy branch is attached to the top of the tag. The background is white with blue and green watercolor splatters.

Welcome to  
Signature —  
style living :)
